EXPERIENCE

Fair Dinkum Productions – Los Angeles, CA

Spring 2022 - 2024

Chief of Staff - Henry Winkler (The Fonz)

- Led strategic executive communications and business operations for Social Media, Studio Marketing, and Primetime Network pillars, overseeing a multi-billion-dollar global portfolio powering brand partnerships and supporting 3M+ social followers.
- Developed cohesive & robust social marketing campaigns with talent, filmmakers, influencers, and digital publicity outlets for primetime release campaigns for HBO's Barry and Henry's memoir, which achieved 11 weeks on the NYT Bestsellers list.
- Collaborated and facilitated staggering growth of Henry's Digital Network, including Facebook likes (+495%), YouTube Views (+42,425%), and YouTube Subscribers (+4,035%) over 2 years and digital properties from sign-up or conception.
- Developed and executed global internal and external communications plans, delivering posts, talk tracks, decks, keynote presentations, videos, podcasts, and social posts to amplify strategic narratives and elevate fan experience.
- Produced small and large-scale virtual, hybrid, and in-person events, including all-hands, leadership summits, and Q&As.
- Managed \$8M+ budget & resourcing annually for entire Influencer social team.

DreamWorks Animation – Los Angeles, CA

Spring 2019 - 2022

Marketing Lead - PipelineX (Cloud Platform)

- Partnered with Employee Experience to produce the Pipeline's first internal newsletter, generating 22,000+ downloads, and led an Onboarding and Training program for 3+ years to drive enterprise-level impact.
- Designed and distributed a company-wide weekly email campaign for 3,000+ employees, driving a compelling company narrative and increasing employee recognition and knowledge sharing.
- Project managed the corporate website redesign, modernizing 70+ web pages, and led the first crowdsourcing campaign, generating 3x the industry average in actionable ideas.
- Implemented an internal social collaboration pilot, achieving over 80% adoption among 3,000+ employees.
- Managed the Objectives and Key Results (OKR) program, driving over 50% of infrastructure data center strategic priorities.
- Delivered communications and operations support for leadership, helping scale a global program from \$11B to \$40B with 3,000+ employees. Unified all tools & resources, and solved cross-functional workflow challenges for all Marketing teams.
- Identified and initiated cross-functional collaboration opportunities internally and with external partners and platforms.

Joy Mill Entertainment – Los Angeles, CA

Fall 2017 - 2019

Marketing Manager - Executive Communications & Social Media

- Developed and executed strategic social media campaigns in collaboration with third-party studios and networks in support of new TV & film releases, effectively reaching multiple audience touchpoints and doubling followers in 6 months.
- Conducted effective channel monitoring for growth, trends, & insights and adjusted social media strategy accordingly.
- Constructed GTM launch campaigns for Michelle Obama's Becoming (100 weeks, NYT Bestseller) and the #MeToo Movement Fund (\$21M in 60 days), including executive keynote content for Glamour (5M+ social views).
- Led strategy development for all social media accounts, addressing key initiatives such as diversity and inclusion, accessibility, audience engagement, moderation guidelines, and capitalizing on social media trends to drive revenue.
- Led messaging and the launch playbook for two national product launches, coordinating paid, earned, and owned channels, selling 2M+ units in four months, and documenting repeatable launch processes for future teams.
